

House Resolution No.

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State organizations which are dedicated to bettering the quality of life found in local communities and neighborhoods through support of the creative arts; and

Whereas, the Greater Lake Area Chorale enjoys a stellar history which can be traced to 1962 when Geraldine Haldiman invited local singers in Eldon and surrounding communities to join the Eldon High School choral department in a performance of Handel's Messiah; and

Whereas, through the ongoing efforts of capable musicians, the Greater Lake Area Chorale has continued to perform quality choral music in numerous venues throughout the tri-county area of the Lake of the Ozarks; and

Whereas, on Wednesday, May 11, 2005, the Greater Lake Area Chorale will enhance its already impressive record of accomplishment when it performs an original choral number entitled "My Missouri"; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in their diverse legislative endeavors in order to recognize such outstanding artistic organizations as the Greater Lake Area Chorale:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to welcome the Greater Lake Area Chorale to the Missouri state capitol and to convey to it this legislative body's most heartfelt best wishes as its members perform an original song entitled "My Missouri"; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of the Greater Lake Area Chorale of Missouri.
